Cocktail Party & Auctions

Over the last 6 years, over \$450,000 has been raised to support Clinical Trial Programs for Cancer patients in our area. This year our dollars raised will directly support Cancer Research currently in progress at the not-for-profit Scripps Research Institute in Jupiter, Florida.

The generosity shown by our local and international businesses, individual contributors and tireless volunteers combined with the availability and support from the **PGA National Resort & Spa** have ensured the success of this exceptional event. Building upon tradition, the event has attracted over 550 women, many of them cancer survivors, living in the Northern Palm Beaches.

We look forward to your participation and appreciate your support!
