

GOING GREEN

WHAT DOES GREEN MEAN TO BROKEN SOUND CLUB?

Broken Sound Club takes its mission regarding environmental sustainability seriously and has led the club industry in “green” initiatives.

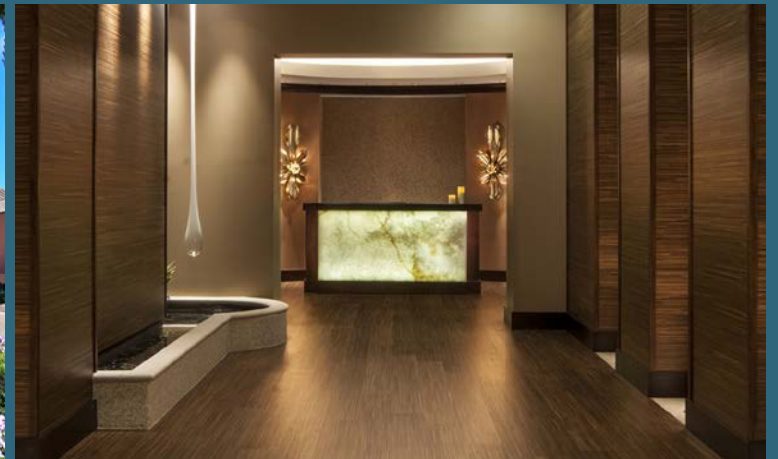

Broken Sound is the 1st golf facility in Florida, the 2nd in the United States and 14th in the world to be GEO Certified – the sustainability assurance of the international non-profit Golf Environment Organization. Broken Sound Club has received Audubon Sanctuary Certification for both of our golf courses. Reclaimed water is used to irrigate our golf courses and common areas. We established the first industrial composting project in Florida.

OUR JOURNEY BEGAN WITH SMALL CHANGES:

- Styrofoam cups eliminated and replaced with Biodegradable Ecotainer cups
- Replaced Plastic Straws with 100% Compostable Straws
- Reduction of Plastic Water Bottles
- Recycling Program for Cans and Plastic
- Separate Bin for Cardboard
- Use of Energy Efficient Light Bulbs

CONTINUED WITH LARGER INITIATIVES:

- Installation of Solar Panels to heat the Pool & hot water heaters
- Installation of Industrial Composter
- Collaborated with City of Boca Raton to participate in Reclaimed Water Program
- Compost 27 buckets of food waste daily to be reused on Golf Courses
- Moonstone Spa & Fitness Center LEED Certified
- Installation of 22 Bee Hives - eco heroes
- Tesla Charging Stations
- Introduction of 15 Bat Houses as a natural method of insect control

AWARDS & ACCOLADES

LEED Certification: Awarded LEED (Leadership in Energy and Environmental Design) Certification from the U.S. Green Building Council (USGBC) for the 2013 transformation at the Moonstone Spa and Fitness Center.

USTA Award: Honored by the United States Tennis Association (USTA) as an Outstanding Facility of the Year. Broken Sound is the only private club in Florida and one of only five private facilities nationwide to receive this award in 2014.

The Prestigious Distinguished Achievement in Leadership Award from Boardroom Magazine presented to eight department directors.

5-Star Platinum Club of America: Designation by the Club Managers Association of America, a distinction awarded to only 4% of 6,000 private clubs nationwide.

Emerald Club: Recognized as one of 11 residential country clubs in North America as an Emerald Club Award winner by *BoardRoom Magazine*. The award is based on membership experience and amenities.

Audubon Sanctuary Certified: Both The Old Course and The New Course are certified. On any given day, golfers get a glimpse of a variety of endangered and protected birds.

GEO Certified™: GEO Certified - the sustainability assurance of the Golf Environment Organization, an international non-profit dedicated to supporting sustainability in the sport of golf. Bringing clear insight, guidance and golf's most constructive, credible and comprehensive certifications, GEO is a leading resource for sustainable golf solutions. Broken Sound is the 1st golf facility in Florida, the 2nd in the United States and 14th in the world to be GEO Certified. In 2014, both courses received re-certification by the GEO Certified Ecolabel, a symbol of great golf courses around the world.

America's Healthiest Club: Received the highest rating to date in the history of the national competition.

CHAMPIONS

PGA Champions Tour Host: Selected by the PGA Champions Tour to host its season opener for 13 consecutive years.

Honey Bee Haven: Members of the American Beekeeping Federation and the Palm Beach County & State of Florida Beekeepers Association. Harvest 2,000 pounds of honey annually.

Environmental Leaders in Golf Award: Presented by Golf Course Superintendents Association of America and *Golf Digest* in partnership with Syngenta, the Environmental Leaders in Golf Awards recognizing golf course superintendents and golf courses around the world for their commitment to environmental stewardship. Broken Sound has won recognition twice, as Overall and National Private Recipient in 2016, and the Healthy Land Stewardship award in 2018.
