

The Champagne

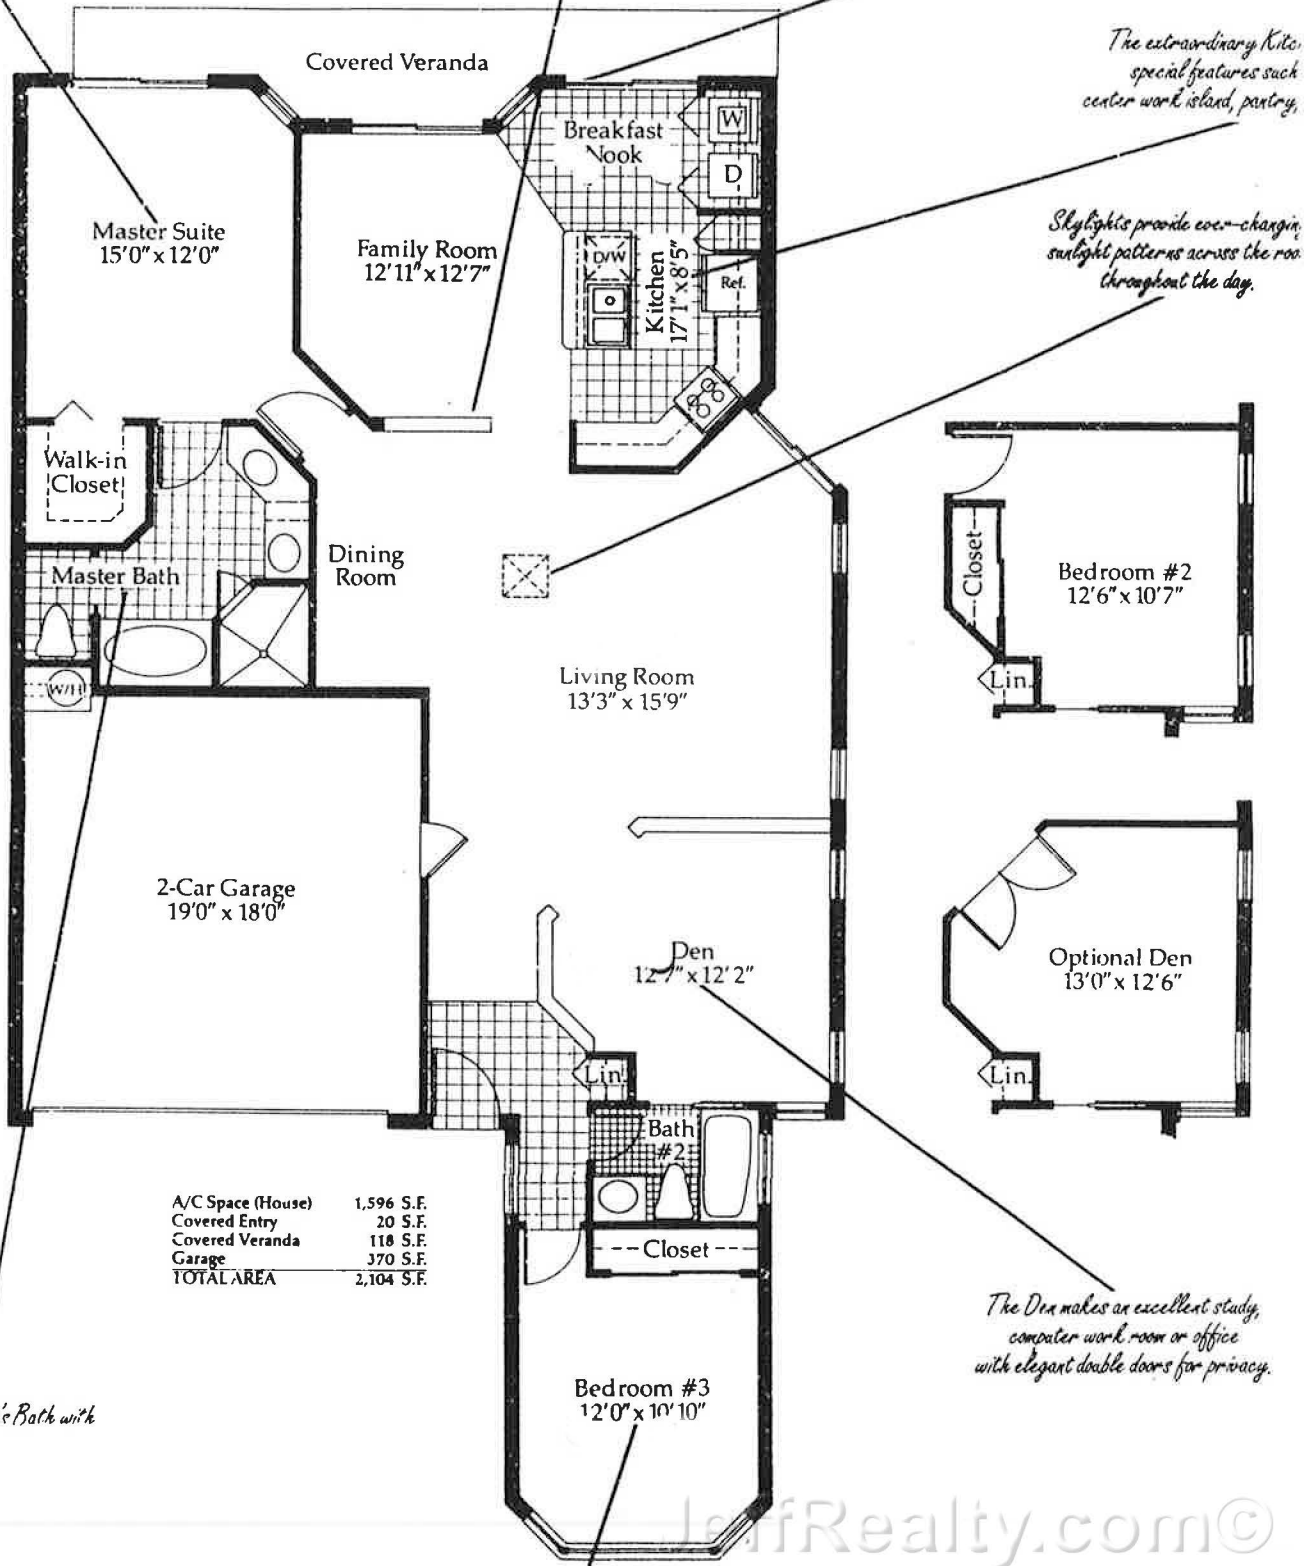

Master's Suite has abundant
and ample wall space
for a king-sized bed.

A low divider wall is characteristic
of the open floor plan, offering free-flowing
space and endless decorating possibilities.

Plenty of glass, including this beautiful
angled window, brings light cascading into
living area and all across the back of the home.

The extraordinary Kitchen
special features such
center work island, pantry,

Skylights provide ever-changing
sunlight patterns across the room
throughout the day.

The Den makes an excellent study,
computer work room or office
with elegant double doors for privacy.
