**MEMBERSHIP INFORMATION**

## A LUXURY LIFESTYLE. EXCLUSIVELY YOURS.

Located in the center of a pristine residential neighborhood, the PGA National Members Club has served as the social epicenter of the Palm Beach Gardens community for over four decades. PGA National is steeped in rich golf tradition, having hosted a litany of the world's most prestigious golf events including the Ryder Cup, PGA Championship, Senior PGA Championship and at present, the PGA Tour's famed Honda Classic.

Today, PGA National Members Club exemplifies the luxurious South Florida lifestyle that has attracted residents to our area for years. Offering exclusive access to world class golf, exceptional amenities and most importantly, a haven for Members seeking community, fellowship and unrivaled lifestyle experiences – We invite you and your family to enjoy all PGA National has to offer.

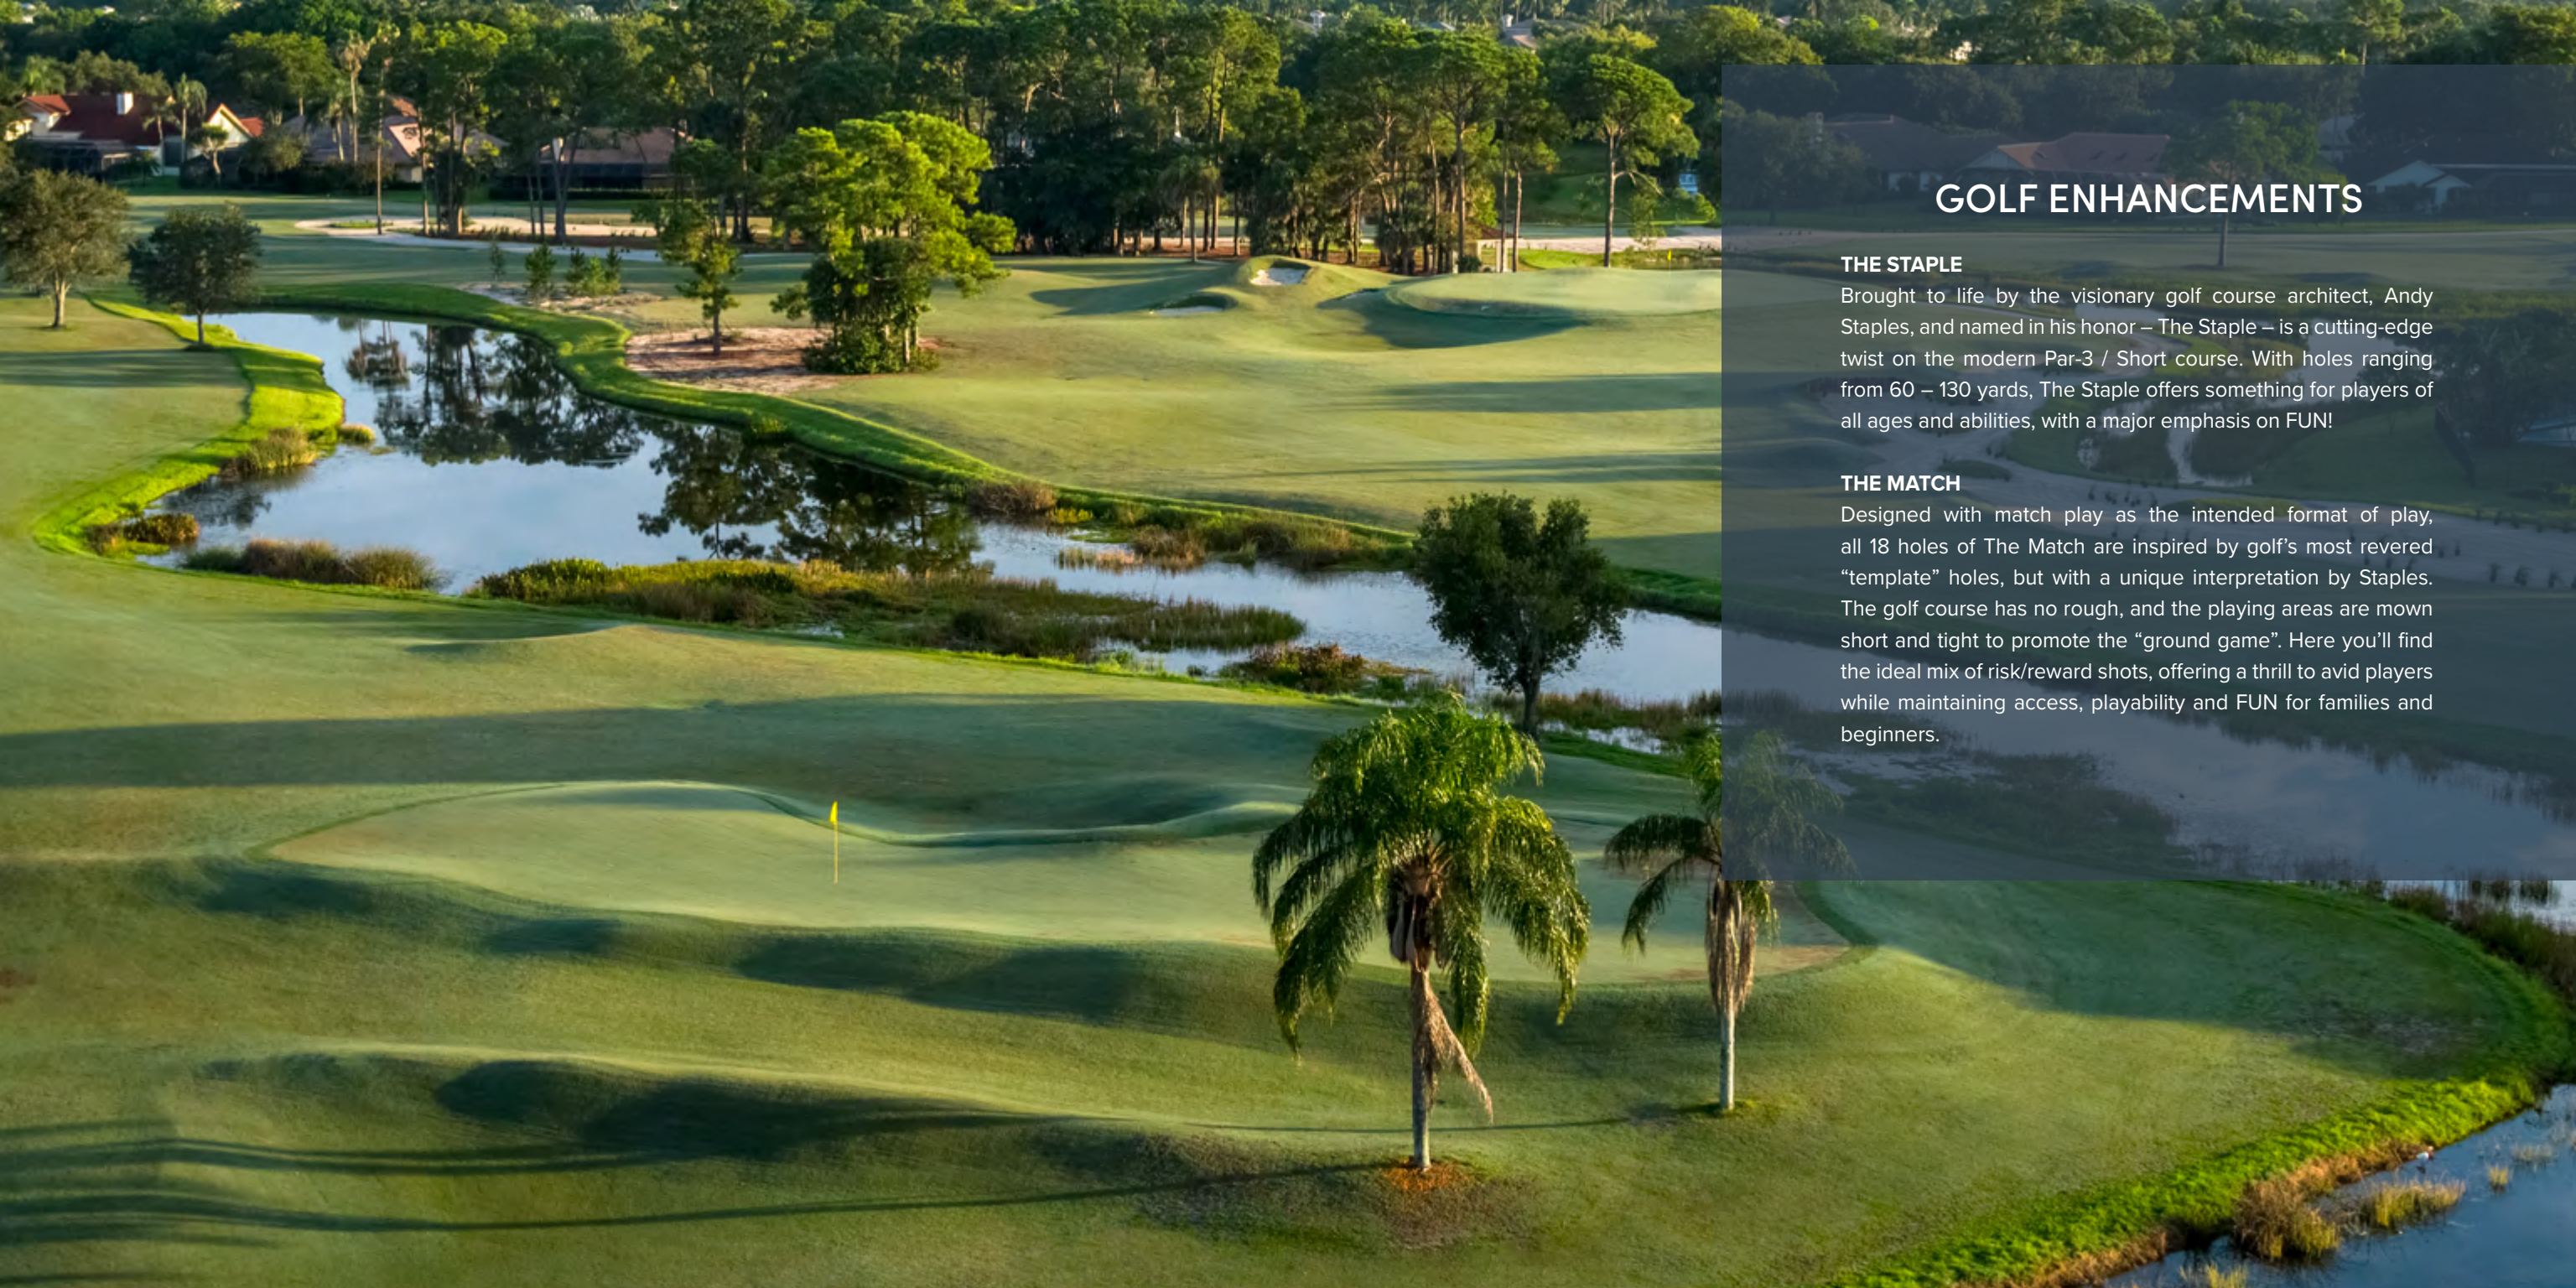

## GOLF AT PGA NATIONAL

The famed 1983 Ryder Cup. The 1987 PGA Championship. Decades of excitement as the host of the Honda Classic and PGA Senior Championship. For years, those moments have inspired play at PGA National. Come walk in the footsteps of some of the game's most revered and iconic players. And if you're looking to improve your game, we offer one of South Florida's most comprehensive practice facilities, including three full-service ranges, multiple short game areas and personal/group instruction.

With 99 holes of golf, running the gamut from the famed "Bear Trap" on the Champion (long considered the toughest three-hole stretch on the PGA Tour) to the all-new nine-hole Staple short course (where the focus is exclusively on fun), we've got something for players of all ages and abilities.

## GOLF ENHANCEMENTS

### THE STAPLE

Brought to life by the visionary golf course architect, Andy Staples, and named in his honor – The Staple – is a cutting-edge twist on the modern Par-3 / Short course. With holes ranging from 60 – 130 yards, The Staple offers something for players of all ages and abilities, with a major emphasis on FUN!

### THE MATCH

Designed with match play as the intended format of play, all 18 holes of The Match are inspired by golf's most revered "template" holes, but with a unique interpretation by Staples. The golf course has no rough, and the playing areas are mown short and tight to promote the "ground game". Here you'll find the ideal mix of risk/reward shots, offering a thrill to avid players while maintaining access, playability and FUN for families and beginners.

## SPORTS & RACQUET CENTER

Whether you like to begin your day with a sun salutation or a heart-thumping spin class, the PGA National Sports & Racquet Club has reinvented what it means to go to the gym. At PGA National's SRC, we are dedicated to improving people's lives while welcoming all fitness levels from beginners to competitors. Offering the latest in exercise equipment, training rooms, a four-lane saltwater pool, and three group exercise rooms including one spin cycle room with video monitors, you're guaranteed to find the burn you're looking for at PGA National. We also offer a full calendar of weekly group fitness classes – along with a staff of personal trainers to help guide your wellness journey.

PGA National is also home to one of the most active racquet sports complexes in all of South Florida. Our facility offers 19 Har-Tru tennis courts (including 11 that are lit for night play), and four pickleball courts to accommodate the rapidly-growing contingency of our Members who enjoy the game! If croquet is more your speed, we invite you to make yourself at home on our immaculately groomed Bermuda grass lawn.

## LIFESTYLE

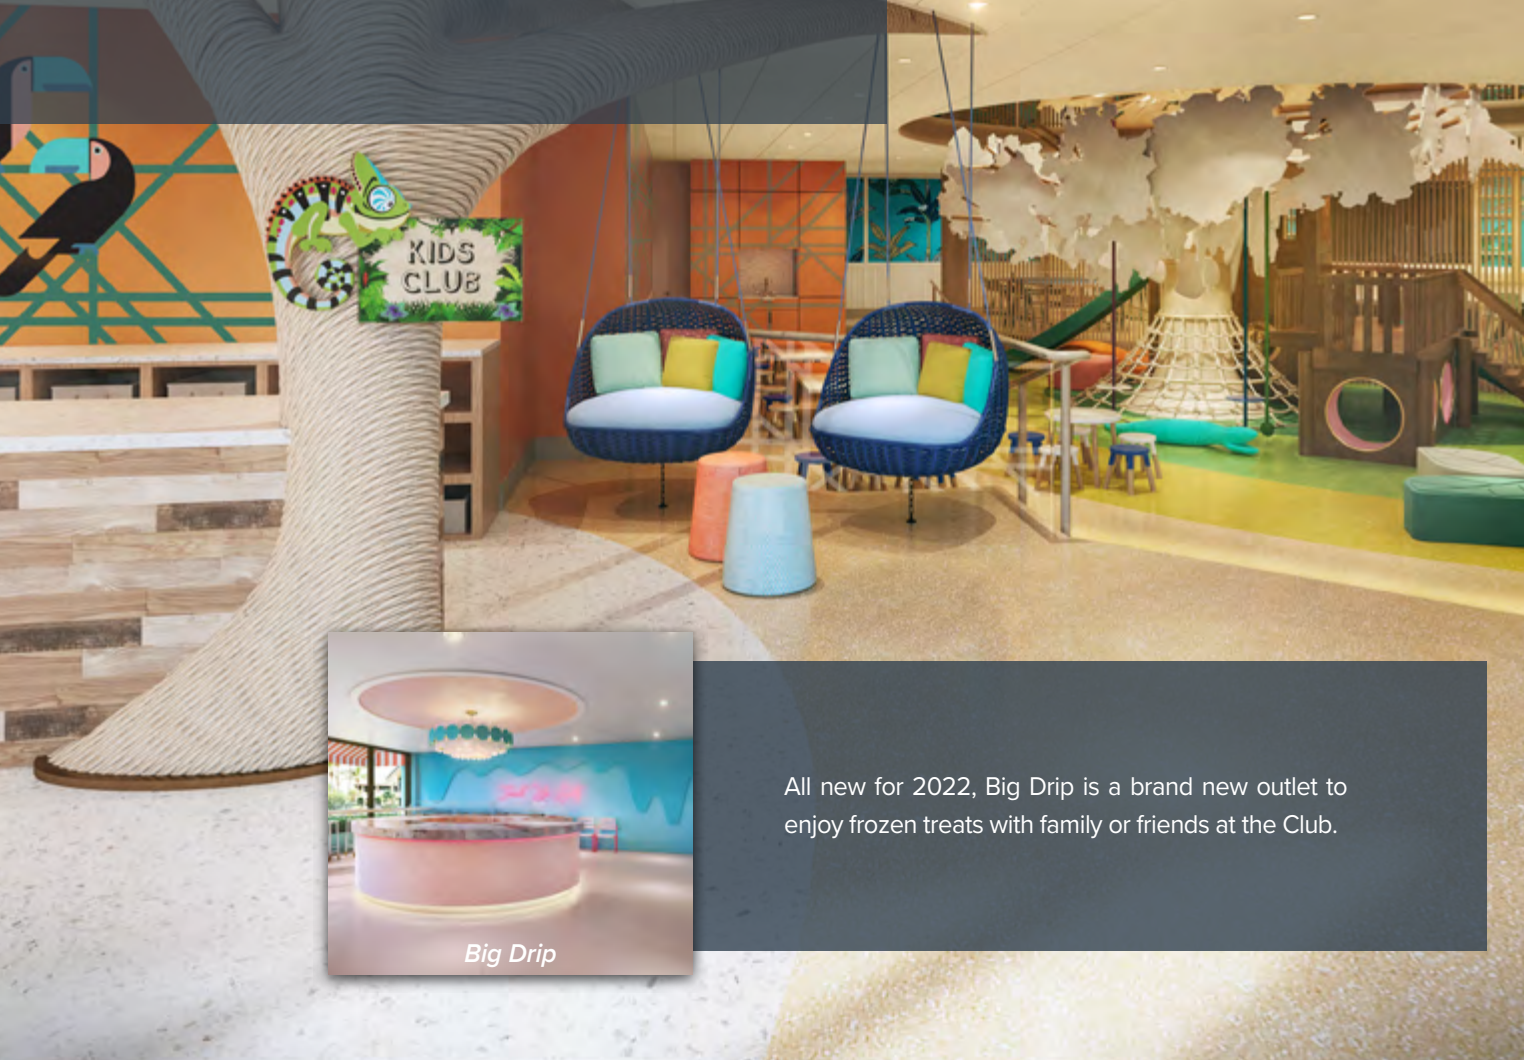

As the social hub of this celebrated Palm Beach lifestyle community, we're proud to offer a full host of unrivaled venues for our Members to connect with friends old and new throughout the year. Our stunning pool has a gradual decline into the shallow end, so the kids can kick their heels as you kick back with a piña colada under the dappled shade of a giant palm tree. Poolside food and beverage access provides the perfect pampered experience at this manmade tropical oasis where carefree hours just fly lazily by.

## JUNIOR PROGRAMS

We're also proud to offer a robust calendar of events for our youngest members, including golf and tennis camps throughout the year and our all new **Banyan Buddies Kids Club**, which offers half-day, full-day and evening drop off child care options for kids 4-12. The day's activities are structured to include lunch, snacks and interactive arts and crafts sessions.

All new for 2022, Big Drip is a brand new outlet to enjoy frozen treats with family or friends at the Club.

## SPA

Balance is the key to life. At The Spa at PGA National Resort, we offer an oasis unlike any other; a calm escape to breathe, heal, and rejuvenate with soothing and individualized holistic care for the wellness-seeker.

Upon entering the day spa, you are transported to another time and space connected with a serene sense of well-being. A personalized care experience awaits with our comprehensive menu of restorative treatments, designed to nurture an openness to healing, balance, and growth. Welcome to a new era of wellness.

## TRANSFORMED DINING EXPERIENCES

All new re-imagined dining experiences are now open for Members and Guests. Stylish and modern elegance awaits you at The Butcher's Club, with succulent cuts served in a timeless atmosphere of warm gold and 1950's swanky sophistication. Expect unforgettable culinary experiences at this modern Palm Beach shared-style steakhouse restaurant from celebrity chef and Florida native Jeremy Ford, winner of Top Chef Season 13.

## BIRDIE'S DINER

This slice of mid-century Americana takes you back to simpler times, with classic diner favorites served right at the first hole. Choose from “Sweet Start” options and “Eggs & More” off the breakfast menu, or enjoy all-day dining with “Main Drivers” ranging from Local Fish Tacos to an All-American Wagyu Cheeseburger.

Pull up a chair at the bar or in a cozy corner booth. Watch players out on the fairway from the outdoor covered patio, complete with vintage golf cart. It's all in a day's play at Birdie's Diner in Palm Beach Gardens.

## HONEYBELLE

Sit for a spell at Honeybelle, a world where indoor meets outdoor, transporting you to the beach cafes of old South Florida. With menu items like Woodfired Pizzas, Tuna Poke Bowls, and Fried Chicken, this Palm Beach restaurant from celebrity chef Lindsay Autry will serve up comfort classics that feed the soul.
